

## Visio

*Design: Nava + Arosio*

### *Description*

Painted metal structure. Opal white Murano triplex glass diffuser. LED lighting.

An echo of allusions to the Surrealist world, layers of meaning to be discovered one by one in the many different possible configurations of Visio's facial geometries, an homage to the iconographic apparatus and expressiveness of the face. An aesthetic vocabulary, one of Visio, where the union of mysticism and geometry creates unpredictable variations on the theme of imagination.
