

Dama

Design: Presotto Studio

Description

An upholstered bed in a modern design, featuring a wall-mounted sectional headboard. Upholstered with a quilted effect, it expands in size thanks to the option of combining simple wood paneled modules or those with integrated bedside tables.

The methacrylate base gives the bed a suspended appearance, while the use of LED lighting illuminates its elegant presence.

The fine natural finish and handcrafted stitching transforms the Dama bed into a piece of furniture with a 'noble' soul, imbued with quality and refinement.

Supplied with standard cover for mattress base.

Made in Italy.

Optionals:

- 2 side panels + 2 nightstands in wood or lacquered.
- 2 nightstands only in wood or lacquered.
- LED for methacrylate base with 50 W transformer kit.

Finishes and materials

Structure & Headboard: Fabric or leather.

Baseboard: Methacrylate.
