

Profilo Cristallo

Description

Modern designer chair from the Profilo collection. It can be customized as desired, choosing from different bases and configuring the seat and backrest in unique ways, combining plastics and upholstery: plastic seat and back, upholstered seat and plastic back or upholstered seat and back.

The embossed arch motif on the back of the backrest is a distinctive feature of its design: it not only adds a special visual sensation, but also a pleasant tactile sensation.

Made in Italy.
