

Victor

Design: Andrea Lucatello

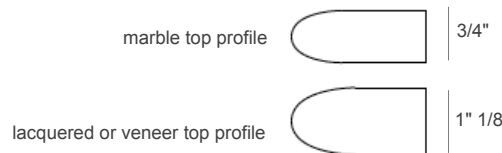

Description

A table that is elegant in form and distinctive in character, consisting of a large rounded top supported by a solid double base. The contoured central legs bend gently, marking the lines of its distinctive design, and then taper towards the point of support with the top. A harmonious combination of robustness and lightness. The versatility of customisation is further expressed in the option of choosing legs in different finishes.

Dimensions

- A) 94"1/2W x 43"1/4D x 30"H
- B) 110"1/4W x 43"1/4D x 30"H
