

Pleat

Design: Massimo Castagna

Description

Table with central base in curved metal, available in finishes metallic champagne and brushed Titanio, or matt graphite black lacquered. Rest on top rectangular or shaped in extra clear, smoked or bronze glass or in fused glass smoked or bronze. Small adjustable feet and supporting pins for the top in matt metal.

The choice of the finishes for top and base together with the harmony of the shapes gives back a table of perfect proportions and enveloping style. The idea of a thin folded paper develops into a feeling of stability and strength.
