

Alley

Design: Giuseppe Viganò

Description

Armchair that stands out on account of its bold metallic structure. The alternation of full and empty spaces gives dynamism and continuity to the seat, while the slender metal legs create a sense of seriousness and lightness. The low backrest completes the clean and light design.

It comes with a steel and plywood structure padded with cold-foamed polyurethane. Cover (non removable) available in fabric, eco-leather or leather. Made in Italy.
