

Boolean

Design: Giuseppe Viganò

Description

Lounge chair created to accompany the sofa with the same name: easy to recognize not only the soft and curvilinear profile but also the same technical virtuosity of full and empty spaces dictated by the bridge base that characterizes its design.

Internal structure in metal. Armrests and backrests padded in cold-foamed polyurethane, seat cushion with plywood structure with elastic straps; shaped polyurethane foam padding in various densities; velveteen lining coupled with polyester fibre.

Available with non removable cover in fabric or leather and a veneered wood base with metal reinforcement. Made in Italy.

Dimensions

35"3/8W x 32"1/4D x 28"3/8H

Seat height: 15"3/4

Armrest height: 21"5/8
