

Boolean

Design: Giuseppe Viganò

Description

Sofa which design shows a harmonious fusion between an enveloping style and a linear silhouette. It stands out for its unique structure: a bridge base available in wood which crosses the upholstery longitudinally, modulating its volume to enhance its character and strong theatrical presence.

Internal structure in metal with elastic strips. Armrests and backrests with wood and wood conglomerate structure; polyurethane foam padding; lining made of velveteen coupled with polyester fibre. Seat cushion with polyurethane foam padding, velour lining coupled with polyester fibre; laminated plywood batten on front face. Back cushions padded in mixed down (50% down, 50% polyester fiber) in 100% cotton featherproof fabric. Available with removable cover in fabric and a veneered wood base. Made in Italy.
