

Diver

Design: Mauro Lipparini

Description

Executive desk with a wooden top that has a slightly curved perimeter to allow comfortable use of the support space. The small and slightly rounded drawer unit is the pillar of the entire system on which the clean metal base with its different sectioned proportions is hinged.

Dynamism and geometric figures comprising linear yet soft features which become harmonious counterpoints of solids and voids. Made in Italy.

1. Top - Office drawer unit
2. Base

Dimensions

101"5/8W x 53"1/8D x 29"1/2H
