

Dune

Design: Giuseppe Viganò

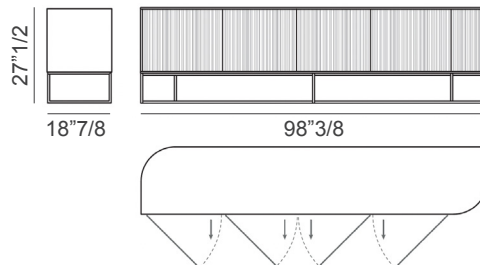

Description

Sideboard with wooden front doors that feature a wavy surface which creates an alternation of light and shadow, while the metal base has an asymmetrical design that enhances the horizontal structure of the sideboard.

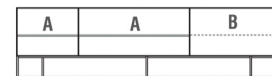

The Dune sideboard is available in two different color combinations: bronze lacquered wood structure , Canaletto walnut veneered wood doors and bronze metal base or lead lacquered wood structure, coal oak veneered wood doors and lead metal base. The top is offered in matt lacquered wood, ceramic or marble. Made in Italy.
