

Money Penny

Design: Mauro Lipparini

Description

Drawer unit with a simple design that presents an elegant curved wooden cylinder which, when combined with the sliding mechanical efficiency of the 2 large integrated drawers, makes it a versatile piece of furniture perfect for any environment, from the professional office to the home office. A version with castors is also available, perfect as a support surface that can be easily moved and ready for use whenever needed. Made in Italy.

Available in 2 different combinations:

Combination 1:

Structure - Canaletto walnut veneered wood
Top & Base - Bronze matt lacquered wood

Combination 2:

Structure - Brushed coal oak veneered wood
Top & Base - Lead matt lacquered wood
