

## Newton

*Design: Bonaldo Lab*

### *Description*

Office armchair with an imposing seat, which offers all-enveloping comfort, resulting from the wide and comfortable shell.

This armchair is upholstered in either a mono-color or bi-color version in leather or fabric, or in a bi-cover version in which the seat is in fabric and the front cushions are available in leather. Swivel 4 ways base in metal. Perfect to complement an executive office as a guest seat, or as an independent element in modern and elegant office and living spaces. Made in Italy.

### *Dimensions*

25"5/8W x 25"5/8D x 32"1/4H

**Seat height: 17"3/4**
