

Olos

Design: Mauro Lipparini

Description

Stool with structure in wood and high density, shrink-resistant rubber padding. Lower backrest in veneered wood. Swivel base and footrest in metal with stainless steel "scuff plate" profile. Seat height adjustable with gas piston.

The stool stands out for its harmonious shapes and a sinuous minimalistic design. The non-removable cover is offered in fabric, leather or eco-leather. Made in Italy.

1. Cover
2. Lower backrest
3. Swivel base - Footrest
