

Pi

Design: Alain Gilles

Description

Chair that combines minimal style and maximum comfort. The soft and rounded cushion of the seat almost seems to merge with the solid wood structure, while the delicately curved backrest evokes the shape of the mathematical sign "Pi", harmoniously combining all the elements. The rear legs, with their rounded ends, create an almost graphic connection with the upper line of the backrest.

Structure in wood. Padding in cold-foamed polyurethane. Cover (non removable) available in fabric, eco-leather or leather. Made in Italy.

Dimensions

21"1/4W x 22"D x 31"1/2H

Seat height: 18"1/8
