

356

Design: Daniele Lo Scalzo Moscheri

Description

The exclusive 356 Lounge Chair is characterized by a structure like an enveloping shell, with a dynamic open and closed effect. Inspired by the cult of objects from the past, especially the seats of vintage sports cars, it pays tribute to the iconic number 356. Available in two versions, with varnished metal legs and with solid wood legs, this elegant chair with arms can be upholstered with fabric, leather or eco-leather. A great option for dining areas following the Contemporary style. Designed by Ditte Italia. Made in Italy.
