

Puppet

Design: Stefano Spessotto

Description

A winning duo for the bedroom space. A bed with a generously sized headboard reminiscent of the idea and shape of a soft pillow; and a bed-side cabinet which, in contrast, emphasizes its stark and disciplined shape, dictated by a metal surface and solid base upholstered with leather or fabric.

Dimensions:

23"5/8W x 15"3/8D x 18"1/8H
