

Add_look

Design: Mauro Lipparini

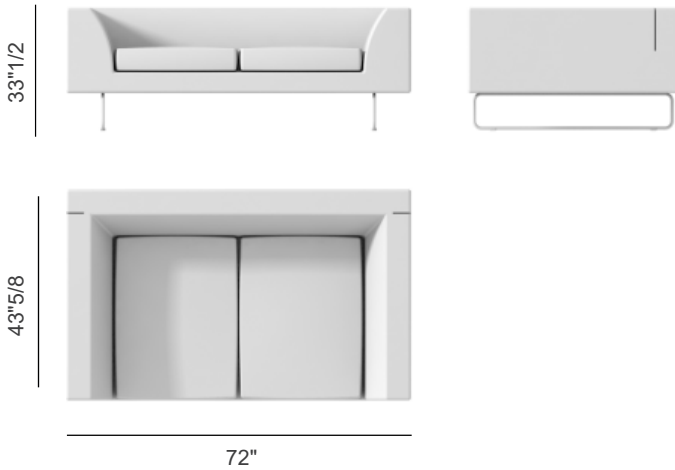

Poetry, precision, subtlety, harmony, comfort. The classic sense of refinement, the incisive approach to design, the geometric accuracy of line and volume that come together to create an aura of welcome and ease: these are the leitmotif of Look Collection. Add_Look and Be_Look are two different sofa systems with significant elements in common: gentle shapes and generous proportions, framed by a comfortable backrest. Another shared element: great attention to detail, a precise cut, like that of a custom-tailored garment. Add_Look has an elegant lightness. On sofas with depths of 111 and 140 cm, the pleasure of the senses is accentuated through a profusion of soft cushions. Made in Italy.
