

Liv

Design: Alessandro Dubini

Description

Designed to guarantee a high level of comfort, LIV chair by Alessandro Dubini, strikes for its sophisticated appearance and graceful posture. Characterized by soft and sinuous lines, it has an ergonomic and enveloping seat and the base carved in solid wood, which extends vertically by fitting into the pockets created on the outside of the backrest. The seat and backrest worked by expert artisan hands with refined stitching are padded and covered in leather or fabric, also in a combined version. Made in Italy.
