

# Way

*Design: Daniele Lo Scalzo Moscheri*

## *Description*

The design applied to the car and, in particular, to the creation of its interiors is a perfect meeting between innovation and artisanal details from which timeless icons were born. Borrowing the stylistic features of that bold language and exploiting the results of technological research applied to manufacturing, the Way collection of tables designed by Daniele Lo Scalzo Moscheri was born.

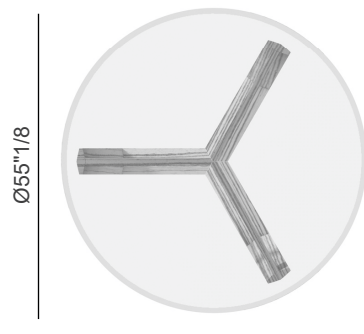

## *Finishes and materials*

**Top:** Glass, wood or marble.

**Base:** Wood.

**Round A (Glass top):**  $\text{Ø}55''\frac{1}{8} \times 28''\frac{1}{2}\text{H}$

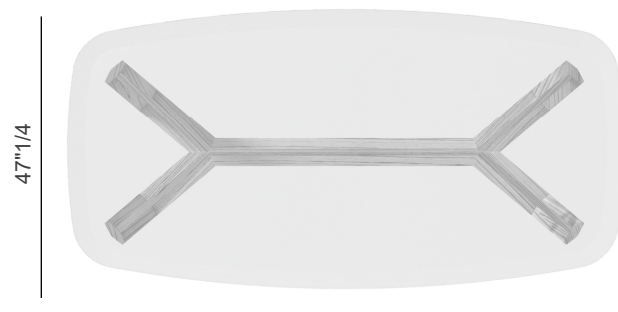

**Round B (Wood or Marble top):**  $\text{Ø}55''\frac{1}{8} \times 29''\frac{1}{8}\text{H}$

$\text{Ø}55''\frac{1}{8}$

**Rectangular A (Glass top):**  $94''\frac{1}{2}\text{W} \times 47''\frac{1}{4}\text{D} \times 28''\frac{1}{2}\text{H}$

**Rectangular B (Wood or Marble top):**  $94''\frac{1}{2}\text{W} \times 47''\frac{1}{4}\text{D} \times 29''\frac{1}{8}\text{H}$

$94''\frac{1}{2}$
