

## Era

*Design: Daniele Lago*

### *Description*

The organic shapes of the Era framed mirror are inspired by nature and customizable in XGlass: the enduring beauty of glass can now be expanded with marble, metal, wood and fabric using this innovative technology. Built-in lighting between the frame and mirrored surface adds further prestige to this design, emphasizing its deep vein pattern.

Available in different sizes and irregular shapes inspired by stones and precious gems, the Era mirror completes your entrance or living space with character.

Optional LED lighting available. Power unit included.

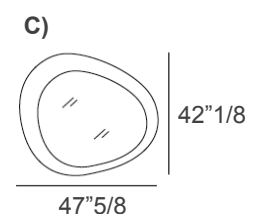

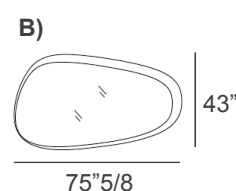

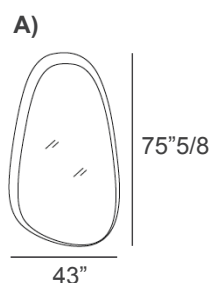

Made in Italy.
