

Nacho

Design: Archirivolto

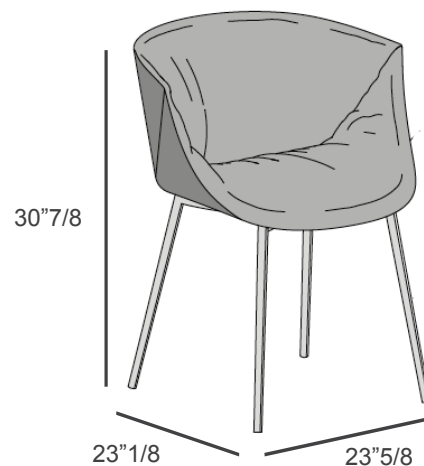

Description

A solid shell encases indulgent upholstery to create this effortless designer chair. Elegant folds make Nacho a rich and abundant seat, only adding to the feeling of comfort. The seam between the inside and outside of the seat itself is a masterclass in upholstery workmanship, accentuated in the model featuring two different materials. Abundant, high-quality padding on the inside provides the ultimate level of comfort for this chair. Nacho's bold volumes morph into a carefree expression of daily rest and relaxation. Non-stackable. Irremovable fabric cover. Made in Italy.
