

## Pletra

*Design: Daniele Lago*

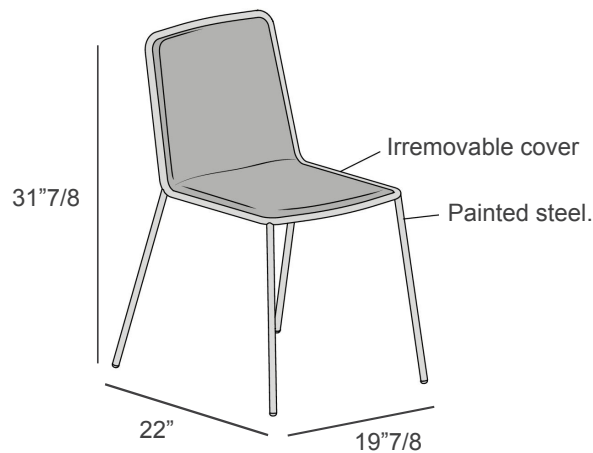

### *Description*

Pletra is an upholstered chair with a modern design that comes in a vast range of hues and offers extraordinary comfort. A slim, elegant metal frame encloses an upholstered core that lets you choose a different covering for each of the two sides. The slim frame offers exceptional comfort thanks to the curved wood seat covered with generous upholstery. Available in fabric, leather and eco-leather, the Pletra chair can be paired with a wide range of interiors and tables, matching easily with elements in the space. Covering cannot be removed. Non-stackable chair. Made in Italy.

### *Dimensions*

19"7/8W x 22"D x 31"7/8H

### *Finishes & Materials*

**Covers:** Fabric (Cat. B, or C), leather (Cat. P) and eco-leather.

**Legs:** Painted steel.

\*Please note: Leather and fabric combination is not available.
