

Woop

Design: Archirivolto – Cristian Gori

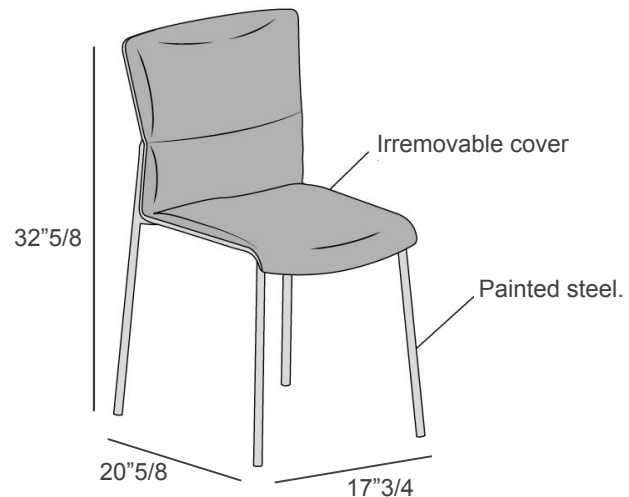

Description

Sinuous and comfortable, Woop Chair offers a unique sensation of delicateness and softness. The folds of fabric lend it extreme generosity without weighing it down. The metal frame comes in steel, while the seat can be upholstered in leather or fabric. Ergonomic seat and abundant armchair-style padding guarantee extreme comfort.

Covering cannot be removed. Non-stackable chair.
Made in Italy.

Dimensions

17"3/4W x 20"5/8D x 32"5/8H
