

Jade

Design: Hanne Willmann

Description

The new armchair with armrests from the Jade collection, follows the collection's stylistic signature with its soft and sinuous lines, perfectly fitting into the system consisting of modular sofa, armchair, and side tables. The fully upholstered armchair includes a round seat cushion along with a semicircular one serving as the backrest, becoming an enveloping, reassuring nest. Organic shapes inspired by nature are the common thread that unites the lines of the armchair with those of the entire family.

Lounge padded in fire-retardant polyurethane foam. Finishes and coverings as per collection. Made in Italy.
