

Minima

Design: Mario Ferrarini

Description

Minima is an all-wood seating collection that is enriched, on the occasion of the Salone del Mobile Milano 2024, with a new stackable chair with metal armrests. Minima was born from the idea of creating a family of cozy and strong chairs with fluid and energetic lines. A project reassuring in its precise and punctual vision, distinguished by its weighted details and rigorous profile. Made in Italy.
