

Ola

Design: Radice & Orlandini

Description

Ola seat family is characterized by the shape of the embracing backrest made of metal rod, which recalls the fluid image of the wave.

A new product is added to the collection, which already includes the stackable chair, small armchair, tub chair, armchair, sofa and stool: the pouf, which harmoniously continues the story of the collection, made up of weaves and refined details. Made in Italy.

Pouf with powder-coated metal rod structure for outdoors woven completely by hand in ribbon. Stainless steel legs. Seat cushion, removable and removable cover, padded with fire-retardant polyurethane foam. Waterproof lining with sealed seams and final lining on the outer coverings available depending on the collection.
