

Corolle

Design: Studio Pang

Description

Lounge chair in powder coated Aisi 304 stainless steel, woven with Oval Trendyrope. The unique split weave pattern and the wide armrest create an enveloping design, inspired by the corolla of a flower and the seating comfort is extraordinary thanks to the properties of the ovalized rope and the cushioning. The entire collection is designed for both residential and contract furnishing, suitable for outdoor and indoor settings.

Made in Italy.
