

Nest

Description

The Nest chair's silhouette is sleek and modern, with a continuous curve forming the backrest and seat, which is upholstered in a sumptuous leather that speaks to its high quality. The legs of the chair are finished in an elegant 'Canna di Fucile'—a gunmetal hue—that complements the leather's warm tones. This combination of materials and finishes not only ensures durability but also exudes sophistication, making it an ideal choice for those seeking to imbue their interior spaces with a sense of refined comfort. Made in Italy.
