

Sidney Icon

Description

The Sidney Table in "natural" finishing, is made with briar root boards from century-old trees and glass legs. The peculiarity of these trees is the briar root in the tree trunk, a very rare and precious characteristic of nature, which is the unexpected result of specific environmental conditions. These trees are obtained after falling due to natural phenomena and not from deforestation. Every item is unique and different from any other and it is numbered and manufactured in limited edition. Made in Italy.
