

Euclideo

Design: Pietro Ferruccio Laviani

Description

The unmistakable profile of the Euclideo desk evolves into the Euclideo Meeting Table to complete the collection of the same name.

The suspended work surface, apparently free from the laws of gravity, rests on a central base which symmetrically balances its equilibrium, giving the object a sculptural and light air.

Finishes & Materials

Top: Lacquered, wood or leather.

Undertop: Leather.

Base: Lacquered, wood or leather.

Dimensions

208"5/8W x 70"7/8D x 30"H
