

Jean Marie

Design: Umberto Asnago

Description

"Made up of bed, dresser, bedside tables and vanity, Jean-Marie night collection focuses on the preciousness of saddle leather and soft leather and on the care taken on the craftsmanship", says designer Umberto Asnago, telling about the new products designed for i 4 Mariani.

The dresser has a frame in molded poplar plywood, completely covered in soft or saddle leather and with top in marble or in wood essence.
