Design: Daniele Lago

Description

Shaped glass legs and tops testify to the attention to detail that defines this table. This design consistently delivers on creating a sense of carefree fluidity in the space. The result is a comfortable, convivial corner for sharing moments of everyday life.

Slender tempered-glass legs – extremely resistant to knocks – support the rounded shape top, which can be customized in a wide range of finishes and materials, ranging from wood to glass, marble, metal and fabric XGlass, being able to dress the Air Soft modern designer table, offering unique textured touches for the living area.

Soft, sumptuous lines mark out the top and supports (both being 3/8" thick), adding a surprisingly light touch in the dining room.

Made in Italy.
