

Hoa

Design: Bartoli Design

Description

Free from any rigid pre-defined rules, the modern dining table Hoa offers soft lines for its delicately shaped tops inspired by nature, which stand on solid legs molded into elliptical and cylindrical forms.

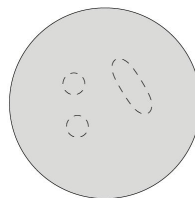

With its soft shapes, the Hoa table blends harmoniously into the dining room space, creating a cosy, convivial atmosphere.

The arrangement of the supports changes according to the size and shape of the top, ensuring the structure is always fully stable.

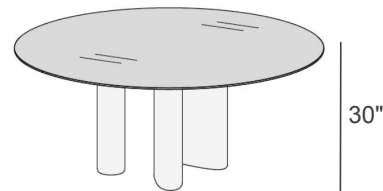

Made in Italy.
