

## Snip

*Design: Daniele Lago*

### *Description*

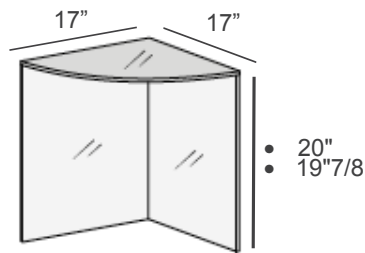

The table top takes the form of a quarter circle, fully integrated into an elegant glass structure, providing striking see-through surface space. Customizable in a wide range of finishes, Snip is a versatile furnishing.

The precision tempered-glass finish expresses the perfect build of the Snip coffee table, making it stable and secure. Snip comes in different finishes, making it a versatile piece of living-room furniture.

Made in Italy.
