

## Agetti

Design: García Cumini

### Description

Agetti is a wood engineering masterpiece. Its solid beech frame follows the rules of the Friuli “school of upholstery”.

The backrest, a distinctive element with a striking 70-degree inclination, connects to the seat – broad and well-defined – through metal reinforcements that provide stability and clean lines.

Agetti’s design concept by being interrupted, thus creating the feeling of a natural void.  
Made in Italy.
