

Noho

Design: Marco Piva

Description

Noho – from the acronym of North of Houston Street, a neighborhood pulsating with creativity and elegance contained in its imposing buildings – is a powerful sideboard piece of furniture with a strong character. It features two central doors in walnut wood, two external symmetrical doors in nubuck leather and solid feet in black chrome metal.

Ideal for storing clothing, accessories or other objects, but also as a support surface.

Finishes & Materials

Central doors, drawers & top: Wood

Side Doors: Wood or leather.
