

Trinity

Design: Marco Piva

Description

Just as the imposing Trinity Church - in perfect harmony with the New York skyscrapers - is ready to welcome visitors at the crossroads between Wall Street and Broadway, the Trinity dresser, in dialogue with the other furnishings in the collection, accommodates a good part of the wardrobe for its considerable capacity. In fact - as there are three entrances to the cathedral - its three drawers are wide and deep, especially the bottom one. The unusual simple and delicate lines for this voluminous element give it the characteristic essence of contemporary design.

Dimensions

47"1/4W x 17"3/4D x 34"1/4H
