

Aliante

Design: Studio Tecnico Pacini & Cappellini

Description

Extendable table where the workmanship of the legs, which play with the basement in a lively game of geometries, enhances the texture of the wood and creates a harmonious contrast with the top.

Structure in solid ash and top in veneered wood, in lacquered glass or in Laminam® (ceramic with marble effect).

Self centering mechanism in aluminum with inner extension in veneered ash.
Made in Italy.

Dimensions

78"3/4W x 39"3/8D x 29"1/2H

Extends to: 118"1/8W
