

## L'Albero

*Design: Norberto Delfinetti e Monica Bernasconi*

### *Description*

A tree shaped coat stand made of ash solid wood on a wooden fiber painted in different finishes; also available in a selection of open pore lacquered colors.

The wall-mounted structure is carved recreating the shape of a tree with branches and is decorated with the application of 5 hooks which can be chosen between classic knobs or bird shaped hooks in black painted metal. Made in Italy.

### *Dimensions*

35"3/8W x 2"3/4D x 70"7/8H
