

Air

Design: Daniele Lago

Description

Simple shapes supported by strong tempered glass seem to defy gravity, creating an extremely light feel in the bedroom space. Thanks to their modular design, these bedside tables with drawers can be designed to fit any space requirements. Skilfully crafted with aluminum filigree and a 45° profile, Air bedside tables flaunt a unique construction quality to ensure they stand the test of time.

Air bedside cabinets can be positioned in any space to give the bedroom area a timeless design.

Imperceptible extra-clear tempered glass supports are anchored to the storage units thanks to a concealed fastening system that guarantees stability, safety and a fascinating feeling of lightness.

Customizable in a wide range of materials from wood, glass, marble, metal and fabric XGlass, that can be combined to create different compositions for unique visual impact.

Optional accessories available: LED lighting on the back - 3000°K clip fastening with or without power unit (80 W-110V) - At least one light required - Not set up for cables to pass through - Control with wall switch - With or without remote dimmer.

Made in Italy.
