

## Air

*Design: Daniele Lago*

### *Dimensions*

Made from extremely elastic, long-lasting materials and combined with a layer of selected, certified goose down, this armchair is ultra-comfy and soft. Boasting an innovative aluminum frame and coupling mechanism, the living room lounge chair Air Soft can be configured as required on tempered glass or metal supports, creating a feeling of lightness in the space.

A mixture of noble, technical materials guarantees comfort and lift over time.

Available optionals: 1 back cushion with panel and 1 decorative square soap-shaped cushion.

Made in Italy.

### *Finishes & Materials*

**Cover:** Fabric (Cat. B or C), Eco-Leather and Leather.

**Legs:** Tempered Glass or Powder Coated Steel
