

Class

Design: Daniele Lago

Description

A 45° build between the front and top measuring 3/8" thick and made from wood or glass, plus carefully polished details, make for a bedside table of outstanding quality. Thanks to elegant tempered-glass supports, the Class bedside table is light and floaty and can even be used freely in the middle of the room.

Elegantly refined details boasting artisanal precision are examples of the outstanding build of this bedside table. A modern, contemporary piece to bring something new to your bedroom space.

Optional LED lighting available, finished on the back with lacquered panel 1/8" thick. It follows the same color and material as the structure.

Made in Italy.

Finishes and Materials

Top Structure & Front: Polished and Matt Glass or XGlass and Oak.

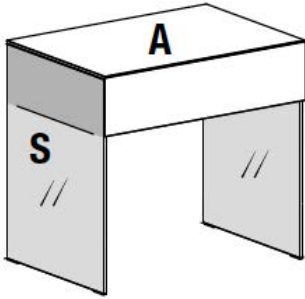

Support: Tempered Glass.
