

Livre

Design: Daniele Lago

Description

A hexagonal top on glass legs is an expression of Livre's sculpted essence.

A combination of different materials such as Wildwood oak, Tempered Glass, and a wide range of XGlass finishes, allow you to create myriad aesthetic design solutions.

Combining different shapes and materials, this bedside table creates unexpected contrasts in the bedroom space. The outstanding build of this product can be seen in its slim lines and the attention to detail.

Made in Italy.
