Description

A single unit processed as a block is dressed in high-end materials. This bedside table elegantly completes the bedroom furniture, making the spaces easy to clean and creating a sense of levity in the bedroom. A single block-worked volume is clothed in precious materials that, thanks to the revolutionary XGlass technology, provide continuity of exciting veining and pattern, enhancing its monolithic effect.

Thanks to the ultra-modular build of LAGO design, Materia bedside tables can be tailor made to suit any bedroom space, and customized in different materials and finishes.

It provides versatile customization options, offering a single-color version, or a two-color version—available only when the structure is in Aqua Glass or XGlass—that allows the structure and fronts to feature a different finish from the top.

Optional accessories available:

- LED lighting under structure. 3000° K clip - 60 W - 110V. With or without power unit. At least one light required. Not set up for cables to pass through.

- Glass bottoms for drawer inside.

Made in Italy.
