

# Zeppelin

*Design: Mauro Lipparini*

## *Description*

Generous volumes and pleasing shapes: Zeppelin is a dynamic lounge chair with an ergonomic build, offering a feeling of absolute comfort for your living area.

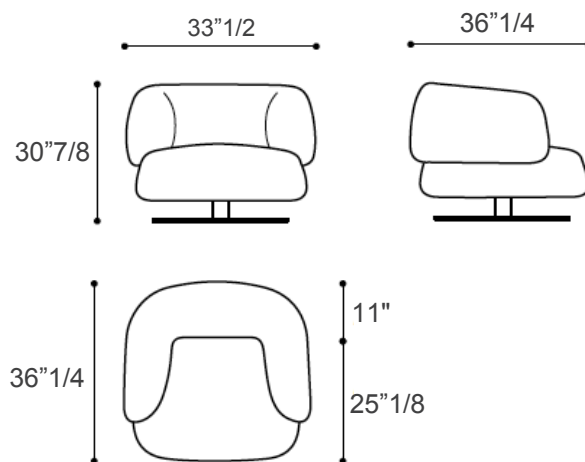

The Zeppelin lounge chair's full-bodied forms hug and adapt to your body, and generous padding creates an indulgent feeling of comfort.

This modern piece rests on a swivel base with return mechanism, a technology that creates ample freedom of movement and it is versatile in different contexts.

Made in Italy.
