Description

High and mid-backrest armchair with 5-star steel base with castors, suitable for all kinds of floors. Featuring the “synchron” mechanism system that makes the seat and back sway and allows the user to adjust this movement. Revolving and gas height adjustment. The height of armchair can be easily regulated by pulling the lever under the seat. Overall structure: curved birch wood and reinforcing metal parts. Padding material: crushproof foam rubber. Available in all natural leathers of “Mascheroni Leather Colour System” collection. Each Italian handmade Mascheroni product is marked with a plate engraved with the brand "Mascheroni srl Made in Italy" which certifies its authenticity.
