

Kronos

Description

Executive high backrest and mid-backrest armchair. Whether for an office or the privacy of your own home, Kronos gives the interior an elegant and stylish touch. 5-spoke steel swivel base with castors suitable for each kind of floor. It is possible to regulate the armchair's height by pulling the lever under the seat. Made with birch shaped wood and available in all genuine leathers of "Mascheroni Leather Colour Sytem" collection. Each Italian handmade Mascheroni product is marked with a plate engraved with the brand "Mascheroni srl Made in Italy" which certifies its authenticity.
