

Tripla A

Description

High back and mid-back office armchair with 5-stars steel base on castors. The armchair is fully rotating, height adjustable and with "Sincron" mechanism. Overall structure: curved birch wood and reinforcing metal parts. Padding material both for seat and back: crushproof foam rubber. Available in all natural leathers of "Mascheroni Leather Colour System" collection. Each Italian handmade Mascheroni product is marked with a plate engraved with the brand "Mascheroni srl Made in Italy" which certifies its authenticity.
