

Utopias

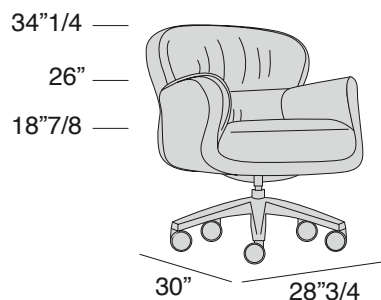

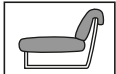

Description

Utopias is a small sized leather armchair which is perfectly matched with large sofas in a home living room or designed for lobby of luxury hotels. Out-of-the ordinary elegance, a timeless armchair. With its steel base, the office or conference-room version has wheels. Birch shaped wooden structure. Each Italian handmade Mascheroni product is marked with a plate engraved with the brand "Mascheroni srl Made in Italy" which certifies its authenticity.
