

Alexander

Description

Refined cabinet with a structure made in Italian poplar block-board, veneered outside with real European or exotic woods, with a 45° assembly. The inside structure is made of real natural maple wood.

This elegant piece features four inner shelves and a back panel covered in Fabric. It also includes in-house designed brass hinges, as well as a base and knob crafted from cast brass, refined by hand.

Up-charge for glossy finishes on the outside structure.

Available optionals:

- Inside vertical LED lighting profile with door opening switch.
- Inner drawer unit with two drawers covered in the same fabric as the shelves.

Made in Italy.
